

TRANSPARENCY & TRUST

Accreditation Status

DSR Certification, LLC is currently undergoing the initial accreditation process with the International Accreditation Service (IAS) for the certification of management systems according to ISO 9001, ISO 14001, and ISO/IEC 27001, based on the requirements of ISO/IEC 17021-1.

Accreditation has not yet been granted.

The certification procedures, rules, and principles published on this website describe the certification system established by DSR Certification, LLC.

Certification under IAS accreditation will only be possible once accreditation has been granted and will be limited to the approved scope of accreditation.
